

Grand Moves, Grand Pianos: Your Trusted Partners in Piano Relocations

Item	Packing & Handling Description
BABY GRAND PIANO 4'-5' Long / 400-500 lbs	
Crew Size	A crew of 3 experienced movers for safe handling.
Materials Required	Heavy-duty furniture blankets; Bubble wrap; Stretch wrap; Packing tape; Straps.
Equipment Required	Piano skid board; Four-wheel furniture dolly; Basic tool kit; Moving truck with lift gate.
Handling and Moving Process	<p>Step 1: Preparation</p> <ul style="list-style-type: none"> <input type="checkbox"/> Measure the piano to ensure it fits through doorways and hallways. <input type="checkbox"/> Clear the pathway from the piano to the moving truck. <input type="checkbox"/> Conduct a thorough inspection of the piano's exterior to document its current condition with photos. <p>Step 2. Protective Measures</p> <ul style="list-style-type: none"> <input type="checkbox"/> Cover the piano keys and the interior of the piano with a large layer of bubble wrap before closing the keyboard lid and the piano top for enhanced cushioning and protection of the playing mechanism against vibrations during transit. <input type="checkbox"/> Wrap the piano in furniture blankets to protect the finish & secure the blankets with stretch wrap and packing tape. <input type="checkbox"/> Place the piano on its side on the flat piano board on a layer of folded blankets. Disassemble the piano legs and the piano lyre. <input type="checkbox"/> Wrap the legs and the lyre in furniture blankets secured with stretch wrap and tape. <input type="checkbox"/> Use straps to secure the piano to the board. <p>Step 3. Loading, Securing, and Unloading</p> <ul style="list-style-type: none"> <input type="checkbox"/> Use a four-wheel dolly to move the piano to the moving truck. <input type="checkbox"/> Load the piano inside the truck with the lift gate. <input type="checkbox"/> Secure the piano using straps against the truck's wall to prevent shifting during transit. <input type="checkbox"/> Unload at Destination in the reverse order. <input type="checkbox"/> Place the piano in its designated location in the new residence.
Storage and International Moves	<p>If storing the piano, ensure it's placed securely indoors in a storage or warehouse with a stable temperature throughout the year.</p> <p>For international moves, the piano must be placed additionally into a custom wooden crate.</p>
